

## **Pupil Premium Funding Impact Report**

### **2021-22**

The pupil premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils and to close the gaps between them and their peers.

The Pupil Premium is additional funding which is allocated to schools on the basis of the number of pupils who have been eligible for free school meals (FSM) at any point over the last six years. The Pupil Premium is aimed at addressing the current underlying inequalities which exist between children of all abilities from disadvantaged backgrounds and their peers and to raise attainment.

The Pupil Premium also provides funding for children who have been looked after (CLA) continuously for more than six months and the children of service personnel. For the purposes of this report Disadvantaged pupils are considered as those eligible for free school meals, Ever 6 and children looked after.

Eligible pupils in years 7 to 11 are funded with £955 per head.

Looked after children or ceased to be LAC are funded with £2345 per head.

Service children are funded with £310 per head.

### **The purpose of the Pupil Premium Report**

The purpose of this report is to outline how Pupil Premium funding allocated to Links Academy Hatfield has had an impact on narrowing the attainment gaps which currently exist between our disadvantaged pupils and their peers.

In the academic year 2021/2022, 9 (56%) Year 11 pupils were eligible for the pupil premium. In total 61 pupils were on roll over the course of the academic year 54% of these were pupil premium. The following analysis includes all pupils on roll at the end of the 2021-2022 academic year.

In the academic year 2021/2022 £22,920 of Pupil Premium Grant funding was the projected budget, plus £6,000 Recovery Funding giving a total of £28,920, based on previous figures and projected pupil numbers. £ 23,844 was the final income received plus £6,000 Recovery Funding giving a total of £29,844. Due to the school moving location and COVID-19, admissions were lower than predicted therefore the final received figure was lower than estimated.

### **Barriers to Achievement**

The following barriers to achievement were identified as impacting on the progress and attainment of Pupil Premium pupils:

- Below national average literacy and numeracy levels

- Social, emotional and behavioural issues
- Low attendance and engagement

### School objectives in spending Pupil Premium Grant (PPG)

Raising attainment and achievement of pupils to at least expected progress through:

- provision to raise literacy/numeracy levels
- providing social & emotional support/interventions to improve attendance and behaviour
- improved transportation for students with longer journey times into school (to raise attendance)
- Enhanced/ improved cultural capital – trips, activities, extra curriculum activities and support with uniform, materials etc.
- Personalised learning, e.g. use of external providers, college placements etc.
- CPD for staff to improve teaching and learning

There was an increase in all students gaining 5+ GCSE 9-5 or equivalent and an increase in pupil premium achievement from last year. The gap is increased with the percentages but is skewed due to the low

numbers with 7 non pupil premium students against 9 pupil premium students achieving the 5+ 9-1 equivalent.

All pupil premium students achieved a grade 9-1 in English and Maths.

### **Impact of strategies and support implemented from the 2021-22 PP Spending plan**

- 100% of pupil premium students achieved 1-9 in English and Maths, with 44% achieving 3+ high quality KS4 qualifications.
- Breakfast made available to all students on arrival to school and once a week bacon rolls provided. Break time snacks and school lunches offered to all students
- CAT, PASS and lucid testing continued to provide a clear indication of student ability on entry and to identify barriers to learning in order to implement early intervention. This was extended in 2019-20 with GL Assessment Progress Testing in English, Maths and Science to provide a clearer indication of baseline ability in the core subjects. The use of FFT was also introduced to ensure targets being set were consistent with school history.
- Transport was offered and provided for students with longer journeys to ensure they arrive in time to enable them to attend school. Shuttle bus to and from the station also offered.
- CPD - Inset on Mental Health, to raise awareness of issues which affect learning engagement and barriers to accessing education.
- Provision for Life coaching and mental health support was extended to address the emotional needs of pupil premium students.
- School uniform and clothing/ equipment for specific learning provided to PP students to ensure all students can engage and access with their learning
- Students accessed offsite reward activities to build self-esteem, motivation and strengthen social skills including, Go Karting, Tower of London Ice Skating and Bowling.
